

Gracious Timothy Dunna

Gracious Timothy Dunna is an arbitration and mediation counsel based in New Delhi. His practice areas are domestic and international commercial arbitrations. Construction and engineering disputes form a significant part of Gracious' practice, covering projects like expressways, thermal power plants, refineries, buildings, marine works, and others. He also acts as the legal advisor to the Indian Navy on infrastructure projects. Besides contentious work, Gracious is trained and experienced in consensual dispute settlement. As a mediation practitioner, his practice has predominantly relates to commercial and family business disputes.

Gracious has a robust academic background with an LLM from the Straus Institute for Dispute Resolution, Pepperdine University Caruso School of Law. He is a recipient of two prestigious awards—the JAMS scholarship and The Hague Academy of International Law scholarship. Gracious publishes regularly. He has contributed several law review articles and chapters. His is book is titled 'Conciliation & Mediation in India' (by Kluwer Law International). Gracious is the Board Member of the Society of Construction Law—India (for standard setting in construction law and practice) and a member of the International Task Force on Mixed-Mode Dispute Resolution.
