Interim Supplementary Procedures for Internet Corporation for Assigned Names and Numbers (ICANN) Independent Review Process (IRP)¹

These interim procedures (Interim Supplementary Procedures) supplement the International Centre for Dispute Resolution's international arbitration rules in accordance with the independent review process set forth in Article 4, Section 4.3 of ICANN's Bylaws. These procedures apply to all independent review process proceedings filed after 1 May 2018.

In drafting these Interim Supplementary Procedures, the IRP Implementation Oversight Team (IOT) applied the following principles: (1) remain as close as possible to the current Supplementary Procedures or the Updated Supplementary Procedures (USP) posted for public comment on 28 November 2016²; (2) to the extent public comments received in response to the USP reflected clear movement away from either the current Supplementary Procedures or the USP, to reflect that movement unless doing so would require significant drafting that should be properly deferred for broader consideration; (3) take no action that would materially expand any part of the Supplementary Procedures that the IOT has not clearly agreed upon, or that represent a significant change from what was posted for comment and would therefore require further public consultation prior to changing the supplemental rules to reflect those expansions or changes.

1. Definitions

In these Interim Supplementary Procedures:

A Claimant is any legal or natural person, group, or entity including, but not limited to the Empowered Community, a Supporting Organization, or an Advisory Committee, that has been materially affected by a Dispute. To be

1 **Contextual Note:** These Interim Supplementary Procedures are intended to supplement the ICDR Rules. Therefore, when the ICDR Rules appropriately address an item, there is no need to re-state that Rule within the Supplemental Procedures. The IOT, through its work, may identify additional places where variance from the ICDR Rules is recommended, and that would result in addition or modification to the Supplemental Procedures.

2 See <https://www.icann.org/public-comments/irp-supp-procedures-2016-11-28-en>.

materially affected by a Dispute, the Claimant must suffer an injury or harm that is directly and causally connected to the alleged violation.

Covered Actions are any actions or failures to act by or within ICANN committed by the Board, individual Directors, Officers, or Staff members that give rise to a Dispute.

Disputes are defined as:

- (A) Claims that Covered Actions violated ICANN's Articles of Incorporation or Bylaws, including, but not limited to, any action or inaction that:
 - 1) exceeded the scope of the Mission;
 - 2) resulted from action taken in response to advice or input from any Advisory Committee or Supporting Organization that are claimed to be inconsistent with the Articles of Incorporation or Bylaws;
 - 3) resulted from decisions of process-specific expert panels that are claimed to be inconsistent with the Articles of Incorporation or Bylaws;
 - 4) resulted from a response to a DIDP (as defined in Section 22.7(d)) request that is claimed to be inconsistent with the Articles of Incorporation or Bylaws; or
 - 5) arose from claims involving rights of the EC as set forth in the Articles of Incorporation or Bylaws;
- (B) Claims that ICANN, the Board, individual Directors, Officers or Staff members have not enforced ICANN's contractual rights with respect to the IANA Naming Function Contract; and
- (C) Claims regarding the Post-Transition IANA entity service complaints by direct customers of the IANA naming functions that are not resolved through mediation.

Emergency Panelist refers to a single member of the Standing Panel designated to adjudicate requests for interim relief or, if a Standing Panel is not in place at the time the relevant IRP is initiated, it shall refer to the panelist appointed by the ICDR pursuant to ICDR Rules relating to appointment of panelists for emergency relief (ICDR Rules Article 6).

IANA refers to the Internet Assigned Numbers Authority.

ICDR refers to the International Centre for Dispute Resolution, which has been designated and approved by ICANN's Board of Directors as the IRP Provider (IRPP) under Article 4, Section 4.3 of ICANN's Bylaws.

ICANN refers to the Internet Corporation for Assigned Names and Numbers.

Independent Review Process or **IRP** refers to the procedure that takes place upon the Claimant's filing of a written statement of a Dispute with the ICDR.

IRP Panel refers to the panel of three neutral members appointed to decide the relevant Dispute.

IRP Panel Decision refers to the final written decision of the IRP Panel that reflects the reasoned analysis of how the Dispute was resolved in compliance with ICANN's Articles and Bylaws.

ICDR Rules refers to the ICDR's International Arbitration rules in effect at the time the relevant request for independent review is submitted.

Procedures Officer refers to a single member of the Standing Panel designated to adjudicate requests for consolidation, intervention, and/or participation as an *amicus*, or, if a Standing Panel is not in place at the time the relevant IRP is initiated, it shall refer to the panelist appointed by the ICDR pursuant to its International Arbitration Rules relating to appointment of panelists for consolidation (ICDR Rules Article 8)

Purposes of the IRP are to hear and resolve Disputes for the reasons specified in the ICANN Bylaws, Article 4, Section 4.3(a).

Standing Panel refers to an omnibus standing panel of at least seven members from which three-member IRP Panels are selected to hear and resolve Disputes consistent with the purposes of the IRP.

2. Scope

The ICDR will apply these Interim Supplementary Procedures, in addition to the ICDR Rules, in all cases submitted to the ICDR in connection with Article 4, Section 4.3 of the ICANN Bylaws after the date these Interim Supplementary Procedures go into effect. In the event there is any inconsistency between these Interim Supplementary Procedures and the ICDR Rules, these Interim Supplementary Procedures will govern. These Interim Supplementary Procedures and any amendment of them shall apply in the form in effect at the time the request for an Independent Review is commenced. IRPs commenced prior to the adoption of these Interim Supplementary Procedures shall be governed by the Supplementary Procedures in effect at the time such IRPs were commenced.

In the event that any of these Interim Supplementary Procedures are subsequently amended, the rules surrounding the application of those amendments will be defined therein.

3. Composition of Independent Review Panel

The IRP Panel will comprise three panelists selected from the Standing Panel, unless a Standing Panel is not in place when the IRP is initiated. The Claimant and ICANN shall each select one panelist from the Standing Panel, and the two panelists selected by the parties will select the third panelist from the Standing Panel. A Standing Panel member's appointment will not take effect unless and until the Standing Panel member signs a Notice of Standing Panel Appointment affirming that the member is available to serve and is Independent and Impartial pursuant to the ICDR Rules. In addition to disclosing relationships with parties to the Dispute, IRP Panel members must also disclose the existence of any material relationships with ICANN, and/or an ICANN Supporting Organization or Advisory Committee. In the event that a Standing Panel is not in place when the relevant IRP is initiated or is in place but does not have capacity due to other IRP commitments, the Claimant and ICANN shall each select a qualified panelist from outside the Standing Panel, and the two panelists selected by the parties shall select the third panelist. In the event that the two party-selected panelists cannot agree on the third panelist, the ICDR Rules shall apply to selection of the third panelist. In the event that a panelist resigns, is incapable of performing the duties of a panelist, or is removed and the position becomes vacant, a substitute arbitrator shall be appointed pursuant to the provisions of this Section [3] of these Interim Supplementary Procedures.

4. Time for Filing³

An Independent Review is commenced when Claimant files a written statement of a Dispute. A Claimant shall file a written statement of a Dispute with the ICDR no more than 120 days after a Claimant becomes aware of the material effect of the action or inaction giving rise to the Dispute; provided, however, that a statement of a Dispute may not be filed more than twelve (12) months from the date of such action or inaction.

3 The IOT recently sought additional public comment to consider the Time for Filing rule that will be recommended for inclusion in the final set of Supplementary Procedures. In the event that the final Time for Filing procedure allows additional time to file than this interim Supplementary Procedure allows, ICANN committed to the IOT that the final Supplementary Procedures will include transition language that provides potential claimants the benefit of that additional time, so as not to prejudice those potential claimants.

In order for an IRP to be deemed to have been timely filed, all fees must be paid to the ICDR within three business days (as measured by the ICDR) of the filing of the request with the ICDR.

5. Conduct of the Independent Review

It is in the best interests of ICANN and of the ICANN community for IRP matters to be resolved expeditiously and at a reasonably low cost while ensuring fundamental fairness and due process consistent with the Purposes of the IRP. The IRP Panel shall consider accessibility, fairness, and efficiency (both as to time and cost) in its conduct of the IRP.

In the event that an Emergency Panelist has been designated to adjudicate a request for interim relief pursuant to the Bylaws, Article 4, Section 4.3(p), the Emergency Panelist shall comply with the rules applicable to an IRP Panel, with such modifications as appropriate.

5A. Nature of IRP Proceedings

The IRP Panel should conduct its proceedings by electronic means to the extent feasible.

Hearings shall be permitted as set forth in these Interim Supplementary Procedures. Where necessary, the IRP Panel may conduct hearings via telephone, video conference or similar technologies). The IRP Panel should conduct its proceedings with the presumption that in-person hearings shall not be permitted. For purposes of these Interim Supplementary Procedures, an “in-person hearing” refers to any IRP proceeding held face-to-face, with participants physically present in the same location. The presumption against in-person hearings may be rebutted only under extraordinary circumstances, where, upon motion by a Party, the IRP Panel determines that the party seeking an in-person hearing has demonstrated that: (1) an in-person hearing is necessary for a fair resolution of the claim; (2) an in-person hearing is necessary to further the Purposes of the IRP; and (3) considerations of fairness and furtherance of the Purposes of the IRP outweigh the time and financial expense of an in-person hearing. In no circumstances shall in-person hearings be permitted for the purpose of introducing new arguments or evidence that could have been previously presented, but were not previously presented, to the IRP Panel.

All hearings shall be limited to argument only unless the IRP Panel determines that a the party seeking to present witness testimony has demonstrated that such

testimony is: (1) necessary for a fair resolution of the claim; (2) necessary to further the Purposes of the IRP; and (3) considerations of fairness and furtherance of the Purposes of the IRP outweigh the time and financial expense of witness testimony and cross examination.

All evidence, including witness statements, must be submitted in writing 15 days in advance of any hearing.

With due regard to ICANN Bylaws, Article 4, Section 4.3(s), the IRP Panel retains responsibility for determining the timetable for the IRP proceeding. Any violation of the IRP Panel's timetable may result in the assessment of costs pursuant to Section 10 of these Interim Supplementary Procedures.

5B. Translation

As required by ICANN Bylaws, Article 4, Section 4.3(l), "All IRP proceedings shall be administered in English as the primary working language, with provision of translation services for Claimants if needed." Translation may include both translation of written documents/transcripts as well as interpretation of oral proceedings.

The IRP Panel shall have discretion to determine (i) whether the Claimant has a need for translation services, (ii) what documents and/or hearing that need relates to, and (iii) what language the document, hearing or other matter or event shall be translated into. A Claimant not determined to have a need for translation services must submit all materials in English (with the exception of the request for translation services if the request includes Claimant's certification to the IRP Panel that submitting the request in English would be unduly burdensome).

In determining whether a Claimant needs translation, the IRP Panel shall consider the Claimant's proficiency in spoken and written English and, to the extent that the Claimant is represented in the proceedings by an attorney or other agent, that representative's proficiency in spoken and written English. The IRP Panel shall only consider requests for translations from/to English and the other five official languages of the United Nations (i.e., Arabic, Chinese, French, Russian, or Spanish).

In determining whether translation of a document, hearing or other matter or event shall be ordered, the IRP Panel shall consider the Claimant's proficiency in English as well as in the requested other language (from among Arabic, Chinese, French, Russian or Spanish). The IRP Panel shall confirm that all material portions of the record of the proceeding are available in English.

In considering requests for translation, the IRP Panel shall consider the materiality of the particular document, hearing or other matter or event requested to be translated, as well as the cost and delay incurred by translation, pursuant to ICDR Article 18 on Translation, and the need to ensure fundamental fairness and due process under ICANN Bylaws, Article 4, Section 4.3(n)(iv).

Unless otherwise ordered by the IRP Panel, costs of need-based translation (as determined by the IRP Panel) shall be covered by ICANN as administrative costs and shall be coordinated through ICANN's language services providers. Even with a determination of need-based translation, if ICANN or the Claimant coordinates the translation of any document through its legal representative, such translation shall be considered part of the legal costs and not an administrative cost to be born by ICANN. Additionally, in the event that either the Claimant or ICANN retains a translator for the purpose of translating any document, hearing or other matter or event, and such retention is not pursuant to a determination of need-based translation by the IRP Panel, the costs of such translation shall not be charged as administrative costs to be covered by ICANN.

6. Written Statements

A Claimant's written statement of a Dispute shall include all claims that give rise to a particular Dispute, but such claims may be asserted as independent or alternative claims.

The initial written submissions of the parties shall not exceed 25 pages each in argument, double-spaced and in 12-point font. All necessary and available evidence in support of the Claimant's claim(s) should be part of the initial written submission. Evidence will not be included when calculating the page limit. The parties may submit expert evidence in writing, and there shall be one right of reply to that expert evidence. The IRP Panel may request additional written submissions from the party seeking review, the Board, the Supporting Organizations, or from other parties.

In addition, the IRP Panel may grant a request for additional written submissions from any person or entity who is intervening as a Claimant or who is participating as an amicus upon the showing of a compelling basis for such request. In the event the IRP Panel grants a request for additional written submissions, any such additional written submission shall not exceed 15 pages, double-spaced and in 12-point font.

For any Dispute resulting from a decision of a process-specific expert panel that is claimed to be inconsistent with ICANN's Articles of Incorporation or Bylaws, as specified at Bylaw Section 4.3(b)(iii)(A)(3), any person, group or entity that was previously identified as within a contention set with the Claimant regarding the issue under consideration within such expert panel proceeding shall reasonably receive notice from ICANN that the Independent Review Process has commenced. ICANN shall undertake reasonable efforts to provide notice by electronic message within two business days (calculated at ICANN's principal place of business) of receiving notification from the ICDR that the IRP has commenced.

7. Consolidation, Intervention and Participation as an *Amicus*

A Procedures Officer shall be appointed from the Standing Panel to consider any request for consolidation, intervention, and/or participation as an amicus. Except as otherwise expressly stated herein, requests for consolidation, intervention, and/or participation as an amicus are committed to the reasonable discretion of the Procedures Officer. In the event that no Standing Panel is in place when a Procedures Officer must be selected, a panelist may be appointed by the ICDR pursuant to its International Arbitration Rules relating to appointment of panelists for consolidation.

In the event that requests for consolidation or intervention are granted, the restrictions on Written Statements set forth in Section 6 shall apply to all Claimants collectively (for a total of 25 pages exclusive of evidence) and not individually unless otherwise modified by the IRP Panel in its discretion consistent with the Purposes of the IRP.

Consolidation

Consolidation of Disputes may be appropriate when the Procedures Officer concludes that there is a sufficient common nucleus of operative fact among multiple IRPs such that the joint resolution of the Disputes would foster a more just and efficient resolution of the Disputes than addressing each Dispute individually. If Disputes are consolidated, each existing Dispute shall no longer be subject to further separate consideration. The Procedures Officer may in its discretion order briefing to consider the propriety of consolidation of Disputes.

Intervention

Any person or entity qualified to be a Claimant pursuant to the standing requirement set forth in the Bylaws may intervene in an IRP with the permission of the Procedures Officer, as provided below. This applies whether or not the person, group or entity participated in an underlying proceeding (a process-specific expert panel per ICANN Bylaws, Article 4, Section 4.3(b)(iii)(A)(3)).

Intervention is appropriate to be sought when the prospective participant does not already have a pending related Dispute, and the potential claims of the prospective participant stem from a common nucleus of operative facts based on such briefing as the Procedures Officer may order in its discretion.

In addition, the Supporting Organization(s) which developed a Consensus Policy involved when a Dispute challenges a material provision(s) of an existing Consensus Policy in whole or in part shall have a right to intervene as a Claimant to the extent of such challenge. Supporting Organization rights in this respect shall be exercisable through the chair of the Supporting Organization.

Any person, group or entity who intervenes as a Claimant pursuant to this section will become a Claimant in the existing Independent Review Process and have all of the rights and responsibilities of other Claimants in that matter and be bound by the outcome to the same extent as any other Claimant. All motions to intervene or for consolidation shall be directed to the IRP Panel within 15 days of the initiation of the Independent Review Process. All requests to intervene or for consolidation must contain the same information as a written statement of a Dispute and must be accompanied by the appropriate filing fee. The IRP Panel may accept for review by the Procedures Officer any motion to intervene or for consolidation after 15 days in cases where it deems that the Purposes of the IRP are furthered by accepting such a motion.

Excluding materials exempted from production under Rule 8 (Exchange of Information) below, the IRP Panel shall direct that all materials related to the Dispute be made available to entities that have intervened or had their claim consolidated unless a Claimant or ICANN objects that such disclosure will harm commercial confidentiality, personal data, or trade secrets; in which case the IRP Panel shall rule on objection and provide such information as is consistent with the Purposes of the IRP and the appropriate preservation of confidentiality as recognized in Article 4 of the Bylaws.

Participation as an *Amicus Curiae*

Any person, group, or entity that has a material interest relevant to the Dispute but does not satisfy the standing requirements for a Claimant set forth in the Bylaws may participate as an *amicus curiae* before an IRP Panel, subject to the limitations set forth below. Without limitation to the persons, groups, or entities that may have such a material interest, the following persons, groups, or entities *shall be deemed to have a material interest relevant to the Dispute and, upon request of person, group, or entity seeking to so participate, shall be permitted to participate as an amicus before the IRP Panel:*

- i. A person, group or entity that participated in an underlying proceeding (a process-specific expert panel per ICANN Bylaws, Article 4, Section 4.3(b)(iii) (A)(3));
- ii. *If the IRP relates to an application arising out of ICANN's New gTLD Program, a person, group or entity that was part of a contention set for the string at issue in the IRP; and*
- iii. *If the briefings before the IRP Panel significantly refer to actions taken by a person, group or entity that is external to the Dispute, such external person, group or entity.*

All requests to participate as an *amicus* must contain the same information as the Written Statement (set out at Section 6), specify the interest of the *amicus curiae*, and must be accompanied by the appropriate filing fee.

If the Procedures Officer determines, in his or her discretion, subject to the conditions set forth above, that the proposed *amicus curiae* has a material interest relevant to the Dispute, he or she shall allow participation by the *amicus curiae*. Any person participating as an *amicus curiae* may submit to the IRP Panel written briefing(s) on the Dispute or on such discrete questions as the IRP Panel may request briefing, in the discretion of the IRP Panel and subject to such deadlines, page limits, and other procedural rules as the IRP Panel may specify in its discretion.⁴ The IRP Panel shall determine in its discretion what materials related to the Dispute to make available to a person participating as an *amicus curiae*.

4 During the pendency of these Interim Supplementary Rules, in exercising its discretion in allowing the participation of *amicus curiae* and in then considering the scope of participation from *amicus curiae*, the IRP Panel shall lean in favor of allowing broad participation of an *amicus curiae* as needed to further the purposes of the IRP set forth at Section 4.3 of the ICANN Bylaws.

8. Exchange of Information

The IRP Panel shall be guided by considerations of accessibility, fairness, and efficiency (both as to time and cost) in its consideration of requests for exchange of information.

On the motion of either Party and upon finding by the IRP Panel that such exchange of information is necessary to further the Purposes of the IRP, the IRP Panel may order a Party to produce to the other Party, and to the IRP Panel if the moving Party requests, documents or electronically stored information in the other Party's possession, custody, or control that the Panel determines are reasonably likely to be relevant and material to the resolution of the Claims and/or defenses in the Dispute and are not subject to the attorney-client privilege, the work product doctrine or otherwise protected from disclosure by applicable law (including, without limitation, disclosures to competitors of the disclosing person, group or entity, of any competition-sensitive information of any kind). Where such method(s) for exchange of information are allowed, all Parties shall be granted the equivalent rights for exchange of information.

A motion for exchange of documents shall contain a description of the specific documents, classes of documents or other information sought that relate to the subject matter of the Dispute along with an explanation of why such documents or other information are likely to be relevant and material to resolution of the Dispute.

Depositions, interrogatories, and requests for admission will not be permitted.

In the event that a Party submits what the IRP Panel deems to be an expert opinion, such opinion must be provided in writing and the other Party must have a right of reply to such an opinion with an expert opinion of its own.

9. Summary Dismissal

An IRP Panel may summarily dismiss any request for Independent Review where the Claimant has not demonstrated that it has been materially affected by a Dispute. To be materially affected by a Dispute, a Claimant must suffer an injury or harm that is directly and causally connected to the alleged violation.

An IRP Panel may also summarily dismiss a request for Independent Review that lacks substance or is frivolous or vexatious.

10. Interim Measures of Protection

A Claimant may request interim relief from the IRP Panel, or if an IRP Panel is not yet in place, from the Standing Panel. Interim relief may include prospective relief, interlocutory relief, or declaratory or injunctive relief, and specifically may include a stay of the challenged ICANN action or decision in order to maintain the status quo until such time as the opinion of the IRP Panel is considered by ICANN as described in ICANN Bylaws, Article 4, Section 4.3(o)(iv).

An Emergency Panelist shall be selected from the Standing Panel to adjudicate requests for interim relief. In the event that no Standing Panel is in place when an Emergency Panelist must be selected, a panelist may be appointed by the ICDR pursuant to ICDR Rules relating to appointment of panelists for emergency relief. Interim relief may only be provided if the Emergency Panelist determines that the Claimant has established all of the following factors:

- (i) A harm for which there will be no adequate remedy in the absence of such relief;
- (ii) Either: (A) likelihood of success on the merits; or (B) sufficiently serious questions related to the merits; and
- (iii) A balance of hardships tipping decidedly toward the party seeking relief.

Interim relief may be granted on an *ex parte* basis in circumstances that the Emergency Panelist deems exigent, but any Party whose arguments were not considered prior to the granting of such interim relief may submit any opposition to such interim relief, and the Emergency Panelist must consider such arguments, as soon as reasonably possible. The Emergency Panelist may modify or terminate the interim relief if the Emergency Panelist deems it appropriate to do so in light of such further arguments.

11. Standard of Review

Each IRP Panel shall conduct an objective, *de novo* examination of the Dispute.

- a. With respect to Covered Actions, the IRP Panel shall make findings of fact to determine whether the Covered Action constituted an action or inaction that violated ICANN'S Articles or Bylaws.
- b. All Disputes shall be decided in compliance with ICANN's Articles and Bylaws, as understood in the context of the norms of applicable law and prior relevant IRP decisions.

- c. For Claims arising out of the Board's exercise of its fiduciary duties, the IRP Panel shall not replace the Board's reasonable judgment with its own so long as the Board's action or inaction is within the realm of reasonable business judgment.
- d. With respect to claims that ICANN has not enforced its contractual rights with respect to the IANA Naming Function Contract, the standard of review shall be whether there was a material breach of ICANN's obligations under the IANA Naming Function Contract, where the alleged breach has resulted in material harm to the Claimant.
- e. IRPs initiated through the mechanism contemplated at Article 4, Section 4.3(a) (iv) of ICANN's Bylaws shall be subject to a separate standard of review as defined in the IANA Naming Function Contract.

12. IRP Panel Decisions

IRP Panel Decisions shall be made by a simple majority of the IRP Panel. If any IRP Panel member fails to sign the IRP Panel Decision, the IRP Panel member shall endeavor to provide a written statement of the reason for the absence of such signature.

13. Form and Effect of an IRP Panel Decision

- a. IRP Panel Decisions shall be made in writing, promptly by the IRP Panel, based on the documentation, supporting materials and arguments submitted by the parties. IRP Panel Decisions shall be issued in English, and the English version will be authoritative over any translations.
- b. The IRP Panel Decision shall specifically designate the prevailing party as to each Claim.
- c. Subject to Article 4, Section 4.3 of ICANN's Bylaws, all IRP Panel Decisions shall be made public, and shall reflect a well-reasoned application of how the Dispute was resolved in compliance with ICANN's Articles and Bylaws, as understood in light of prior IRP Panel Decisions decided under the same (or an equivalent prior) version of the provision of the Articles and Bylaws at issue, and norms of applicable law.

14. Appeal of IRP Panel Decisions

An IRP Panel Decision may be appealed to the full Standing Panel sitting en banc within 60 days of the issuance of such decision. The en banc Standing Panel will review such appealed IRP Panel Decision based on a clear error of judgment or the application of an incorrect legal standard. The en banc Standing Panel may also resolve any disputes between panelists on an IRP Panel or the Procedures Officer with respect to consolidation of Claims or intervention.

15. Costs

The IRP Panel shall fix costs in its IRP Panel Decision. Except as otherwise provided in Article 4, Section 4.3(e)(ii) of ICANN's Bylaws, each party to an IRP proceeding shall bear its own legal expenses, except that ICANN shall bear all costs associated with a Community IRP, as defined in Article 4, Section 4.3(d) of ICANN's Bylaws, including the costs of all legal counsel and technical experts.

Except with respect to a Community IRP, the IRP Panel may shift and provide for the losing party to pay administrative costs and/or fees of the prevailing party in the event it identifies the losing party's Claim or defense as frivolous or abusive.
